YOUTH STAFF APPLICATION

Dear Exceptional Youth,

Thank you for taking the next step and applying to staff NYLT. Remember the quote from the invitation letter?

“Practice is the hardest part of learning, and training is the essence of transformation.”
— *Ann Voskamp*

Practical use of your training from NYLT is how you transform and truly learn the skills that you were exposed to.

My Vision for this course:

We will practice, we will have fun, and we will work hard to prepare and deliver the best NYLT course ever.

If you have any questions or wish to discuss anything, please contact me to discuss by email carl.frentz@gmail.com, or by phone at 325-617-2572.

Yours in Scouting,
Carl Frentz

You have given us your basic information, but now it's time to tell me about yourself. I am not looking for a novel. I want you to give me some of your interest, hobbies and favorite things to do.

What is the most important take-away from your NYLT Experience?

How have you used that take-away in your life since then?

What do you expect of your staffing opportunity?
